Vision Screening

Linton Public School, in cooperation with the Emmons County Special Education Unit, and the Bismarck Lions Club will be conducting a vision screening at your child’s school on **Tuesday, January 17th**.

Students in grades **PK-5** will be screened, as well as any students referred by parents or teachers. The screening will be conducted by the Bismarck Lions Club using the Plusoptix Vision Screener, and takes only a few seconds per student. You will receive a form stating whether or not your child passed the screening.

Periodic screening of your child’s vision is encouraged in order to maintain visual health and be aware of vision needs; however, you may choose not to have your child participate in the vision screening. **If you do not wish for your child to participate, or would like to refer a child not in the grades listed, please contact your child’s teacher or the school office.**

*If you have questions about this information please contact your local principal or Special Education Director, Janelle Ferderer at 254-4221.*
